Federal Election Commission

Dear Mr. Matheson:

Ted Cruz for Senate (FEC ID# C00492785) is in receipt of your Request for Additional Information dated June 26, 2012, regarding the Committee's April Quarterly Report (1/1/12 – 3/31/12).

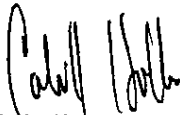

Schedule A – Contribution Limits

The committee has reviewed the transactions identified in the RFAI for excess contribution limits. For each of the donors that are not resolved as a matter of course per the regulations relative to reattributions/redesignations on subsequent reports, the Committee will amend its reports accordingly to show the proper outcome of each transaction.

In addition, the Committee will amend its report to show the proper election designations per 11 CFR 110.1 and 110.2.

Finally, the Committee reviews each contribution from committees and individuals prior to deposit. Whenever the Committee receives a donation from a committee that does not have a federal identification number, it sends a letter to the prospective donor informing it of the regulations and requests affirmation from the contributor that the prospective contribution has been made with federally permissible funds within the applicable limits. As such the Committee believes it has satisfied the regulations on this issue relative to the reported transactions.

Sincerely,

Cabell Hobbs
Assistant Treasurer
